Personal Profile

Education

Taras Shevchenko National University of Kyiv

2022 - present

Technical Skills

- HTML, CSS, JS
- Git, GitHub
- Figma
- Vue.js
- Bootstrap (familiar)
- Tailwind CSS (familiar)

Projects

- **Time Tracking App** GitHub Repository

A web application for tracking daily tasks and time spent. I designed and implemented the user interface, including layout, styling, and responsive design. The project helped me improve my skills in Vue.js, CSS, and UI/UX design.
